this tattoo:

What is the fact that  
letters do not  
connect?!!

This is what ‘phonetic’ means  
in relation to Arabic.

What is the fact  
that words are  
generally written  
as they are  
pronounced (and  
vice versa)?

# Final Jeopardy

These are three of the four characteristics of Arabic we discussed in class.

# Final Jeopardy

1. Arabic is written from right to left.
2. Arabic letters are *always* connected\*
3. Arabic letters each have four shapes, determined by their position in a word.
4. Arabic has two layers of writing.
